A Message from the General Manager

Greetings,

It has been said that Lake Havasu City only has one season, summer! But, the calendar tells us fall is around the corner and we are preparing to launch Lake Havasu City's robust world-class event season. The IJSBA World Jet Ski Finals starts the season with an action packed 10 days where participants from around the world compete on the shores of Lake Havasu to be named a world champion. This event is followed by Monster Storm, Relics & Rods Run to the Sun Car Show, Fall Fun Festival, London Bridge Days, Beer Festival, London Bridge Resort's Annual Festival of Lights, Boat Parade of Lights, Balloon Festival, Little Delbert Days Rodeo and Fair, Winterfest, Western Pyrotechnic Annual Winter Blast, Spring Break, Desert Storm, and many more. There is always something to do in Lake Havasu City when the calendar tells us it is fall, winter, and spring.

A visit to Lake Havasu City is not complete without a stroll under our iconic London Bridge. The World Famous London Bridge serves as the backdrop to the revitalized English Village. This area is home to many shops, eateries and attractions. As you stroll through the English Village you can stop in the Candle Factory and watch as Linda hand-dips wax and masterfully shapes and creates handmade candles or grab an ice cream cone, or pick up one of latest fashions at one of the boutiques. The English Village has something for everyone so be sure to check out what is new next time you are here.

Our team continuously works to improve your home resort. Just in time for our summer owners we completed the installation of blackout drapes and sheers on our second-floor suites. All our suites now have blackout draperies – which makes for a better night's sleep. Our team is working on repairing and revitalizing wear on the cabinetry in the kitchen and bathroom areas in the suites. We have continued our ongoing air conditioning replacement program and replaced several suite air-conditioning units. All of the roof-top two-bedroom suites patio furniture has been replaced. Our team has made several improvements to the boat docks and will continue to make more improvements throughout the fall and winter season.

Kokomo is now serving food. We have partnered with Papa Leone's Pizza and are serving pizza, subs, salads, and wings daily at Kokomo. This new effort has been welcomed by owners and guests this summer. Every Saturday and Sunday we have live entertainment during the day featuring local bands or regional DJs. This makes for a fun afternoon of pool games, pool volleyball, life-size games, food, and entertainment. Kokomo is now open year-round, but don't worry, in the winter months Kokomo is not open all night. It does provide a break from the everyday and is a great place to enjoy some great food, drinks, and views of the London Bridge.

Enclosed with this newsletter is a ballot for the Board of Directors for Resort Association, Inc. I encourage you to take a few minutes to review the ballot card, complete the ballot, and place it in the mail. You are also invited to attend the Annual Meeting. The Annual Meeting is on Sunday, November 10, 2019, but you can make a weekend out of it and enjoy a full weekend of activities, events, and fellowship with other owners.

On behalf of our entire team, thank you for the opportunity to serve you and your family. It is an honor to be a part of your vacation experience and we take great pride in serving you. We look forward to seeing you soon.

Until Next Time,

Cal

Martini Bay Welcomes New Executive Chef and General Manager

Martini Bay has been serving owners and guests of London Bridge Resort for nearly 15 years. Owners and guests have been delighted by the great food, hand-crafted cocktails, happy hour, dinner, or dancing the night away. Martini Bay remains as popular today as it was when it first started serving guests all those years ago.

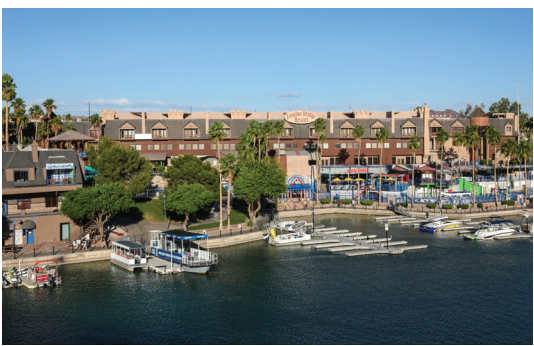

We are happy to welcome to our team an award winning, Le Cordon Bleu-trained Chef, Chef Sarah Frieck. Sarah brings a contagious enthusiasm and excitement to London Bridge Resort and Martini Bay. Sarah has a great background in culinary, catering, and menu creation. Sarah designed and recently launched a new menu for Martini Bay featuring a selection of seafood, pastas, steaks, and house specialties. Sarah also has created a pub menu with a small selection of burgers, sandwiches, and pub favorites. We also welcome Kurt Samuels as the new General Manager for Martini Bay. We are excited that Kurt joined our team and he brings an energy to his new role that will be noticed by guests enjoying Martini Bay. Kurt has an extensive background in restaurant operations, service, and training of food and beverage teams.
