A Message from the General Manager

Greetings,

Lake Havasu City experienced a cooler and wetter winter than normal, which led to a moderate spring, but summer is now upon us. As the temperatures heat up we are starting to see our vacation ownership families join us for their summer getaways. We are so fortunate to be able to be a part of your vacation experiences.

Our Activities team has been working hard to add new and exciting activities for our owners and their guests to enjoy during their visits with us. Some of the highlights include the Magic Show, Canvas and Cocktail paint party, arts, crafts, dive-in movies, poolside s'mores and games. Our mermaid, Bridget, tells mermaid tales poolside weekly. There is something for everyone and our team enjoys providing a selection of organized activities for our owners to participate in during their visit with us.

Kokomo Beach Club opens this summer with pool parties every Saturday and Sunday. The pool features entertainment, poolside games, and volleyball. Kokomo now has poolside food service featuring pizza, subs, salads, and more. Enjoy an afternoon of great entertainment and fun poolside at Kokomo during your next visit to London Bridge Resort. Kokomo is also open year round and this has been a great addition for our owners visiting during the winter months. If you have not tried Kokomo during your time with us, please make a point to see what is new at Kokomo.

We have been busy working on implementing the approved property improvement plan over the past several months. We have installed the new sofa sleepers in all the 3rd floor suites featuring tempur-pedic mattresses, strong supports, and no uncomfortable bars! We have installed blackout drapes in the 2nd floor suites – now all suites have black out draperies. The feedback has been well received by owners. We installed several way-finding signs throughout the property to better assist guests with access points and parking locations. Just in time for summer, we have retrofitted several fingers of boat docks and will continue to make improvements to the docks. The furniture on the roof top balconies has been replaced. These improvements are aimed at providing our owners with a comfortable, relaxed, and enjoyable stay with us.

We were recently featured on the Ellen Show. Twitch and his family went on a road trip across the United States and they stopped in Lake Havasu City to enjoy our great community. Twitch tried his luck at fly boarding, wake boarding, and the family enjoyed some nice downtime at the London Bridge. The segment recently aired on the Ellen Show and London Bridge Resort played its role as the backdrop of all the action that Twitch and his family enjoyed during their brief visit to Lake Havasu City.

As always, we thank you for the opportunity to serve you and your family. We value our relationship and thank you for allowing us to be a part of your vacation experience. We look forward to seeing you soon.

Until Next Time,

Cal
