A Message from the General Manager

Greetings,

Lake Havasu City is celebrating the Golden Anniversary of the dedication of the London Bridge this year. October 2021 marks 50 years since Robert P. McCulloch, the founder of our great city, dedicated the opening of the London Bridge in its new American home in Lake Havasu City. October will see the return of many of our iconic outdoor community events including Monster Storm, Relics and Rods Run to the Sun Car Show, and the London Bridge Days Parade. For a complete list of events please visit www.golakehasvu.com. The month-long celebration will incorporate happenings of days gone by and include new event opportunities for the young to the young at heart.

The UTV World Championships will make their return to Lake Havasu City this October. The UTV World Championship race weekend is a multiday event loaded with events and festivities including a 60-mile poker run. There are multiple classes for racers to choose from and spectators are welcome to join the fun in the desert. This event is the largest and most prestigious UTV race on the planet and relocated to Lake Havasu City in 2020.

Lake Havasu Classic Outboard Championships will make a surprise return to Lake Havasu City in October of 2021. Robert P. McCulloch, Jr. was the first to initiate the outboard championships at Lake Havasu in 1964 and it quickly became a Thanksgiving weekend tradition drawing competitors from every corner of the globe for high stakes cash and prizes. This is heart thumping high-horsepower racing excitement performed by world class international powerboat racing stars. Many of the Havasu Classic past racing stars will be at the event and vintage boats will be on display for the fans.

The London Bridge Resort will be hosting the rededication ceremony and official 50th Anniversary Gala the last weekend of October. Our team is excited to be a part of the Golden Anniversary. October will be full of many outdoor events and ceremonies to showcase the World-Famous London Bridge.

The Annual Meeting for Resort Association, Inc. is on Sunday, November 7, 2021. We will host this year's annual meeting in-person at London Bridge Resort. We have a weekend planned of activities for our owners to enjoy. We encourage owners who would like to participate in the annual meeting to make your reservations today. Bonus time reservations can be made outside the 21-day booking window for the annual meeting weekend.

Included in this newsletter is the proxy card. Please complete your proxy card and drop it in the mail so we can ensure to have a quorum and conduct the Association's official business. Please follow the instructions on the inserted card and return by the deadline. I appreciate your attention to this matter.

Our team works hard to ensure that you and your family have enjoyable and memorable vacation experiences, either at London Bridge Resort or one of the many resorts you can exchange to in the system. It is an honor to serve you and this Association. On behalf of all our team members at London Bridge Resort thank you for being an owner with us.

Until Next Time,

Cal

London Bridge Celebrates its Golden Anniversary

The London Bridge was dedicated in its new American home on October 10, 1971. This year marks the London Bridge Golden Anniversary in Lake Havasu City. Robert P. McCulloch purchased the London Bridge from the City of London for \$2,460,000. He was the successful bidder and got to that figure by doubling the estimated cost to dismantle the bridge of \$1,200,000 and adding \$60,000 – a thousand dollars for each year of his age at that time.

The Golden Anniversary will be celebrated in ceremonies and events throughout the month of October this year. It will include relaunchees of events of days gone by and new events and ceremonies to mark this milestone in Lake Havasu City. The month-long celebrations will culminate with the London Bridge Days Parade on October 30, 2021. To learn more about the history of the London Bridge you can visit www.golakehasvu.com.

Be Careful — Avoid Scammers

Have you received a phone call that sounds too good to be true regarding an opportunity to sell your timeshare? If so, it generally is too good to be true! If you receive an inquiry that you are interested in pursuing, please call our Owner Services Team to verify the legitimacy of the company and offer.

We have received numerous complaints from owners that have paid high upfront costs to companies to sell or list their vacation ownership interest. Unfortunately, the company takes the owners' money but does not complete the transfer.

Please use caution to avoid scammers! Please call us to verify the legitimacy and never pay an upfront fee to dispose of or sell your interest.
