A Message from the General Manager

Greetings,

In sunny Arizona it is hard to imagine cooler fall temperatures on their way, but fall is coming – the popular pumpkin spice latte from The Local Grind is already available. Fall in Lake Havasu City makes way for a great lineup of outdoor events. The weekly Swap Meet has started, and we have a lineup of boat regattas, car shows, music events, sport events, and holiday themed events to look forward to. To learn more about upcoming events please see a listing in this newsletter or visit www.golakehavasu.com.

Fall weather also makes for fun outdoor recreational opportunities to be enjoyed. Guests visiting the area can take in one of the beautiful hikes in the surrounding area or explore one of the many miles of trails in an offroad vehicle. Lake Havasu City is surrounded by amazing outdoor recreational choices that can be enjoyed by any skill level. If you just want to take a leisure drive to explore the area you can enjoy two renowned desert bars in the area. These outdoor rugged bars offer a daytime of live music entertainment, food, drinks, and a chance to see some of the scenic desert in the area.

Our Activities Team has a great lineup of fall inspired activities on-site for our owners to enjoy. You can learn or test your skill as a painter on canvas with our Canvas and Cocktails night. Guided by Debbie, our in-house Artist, you will be able to create a masterpiece on canvas. Our team has also partnered with a local fitness instructor to bring water aerobics classes to the pool for our owners to enjoy. There is truly something for everyone and our Activities Team has a full schedule of arts, crafts, exercise, and tour options for you to enjoy during your visit with us.

Our Activities Team has curated a special tour to Oatman, Arizona. Oatman is on historic route 66 and is located about 60 miles North of London Bridge Resort. Oatman is an old mining town and is famous for its historic wooden sidewalks, staged Western shootouts, and burros that roam freely. Learn the history of Oatman and the surrounding area as you travel in our air-conditioned shuttle fully narrated by our longtime team member, Doug. To learn more about this tour please visit our Activities Team at the Welcome Reception or upon arrival.

London Bridge Resort continuously works to upgrade the facility. This year we have invested in several new air-conditioning units for our guest suites. We have new sofa sleepers and occasional chairs on order to replace the furnishings in our third-floor suites. We have also upgraded in-room amenities including closets, luggage racks, hangers, and more. We have experienced supply chain issues that are very similar to what many people, organizations, and companies have been experiencing. We are hopeful to have these upgrades complete by the end of the year.

Our Annual Homeowners Meeting weekend of Resort Association, Inc. is scheduled for the weekend of November 4, 2022 through November 6, 2022. Included in this newsletter is the annual proxy card for you to cast for your vote for the board of directors' election. Please take a few moments to complete the proxy card and return the proxy card to us.

On behalf of the entire team at London Bridge Resort, it is always a pleasure to serve you, our valuable owners. We look forward to seeing you soon or assisting you on your next exchange.

Until Next Time,

Cal
