A Message from the General Manager

Greetings,

Summer has arrived! Lake Havasu City is a warm place during the summer and for our summer boating families. We are excited to welcome back our owners that visit us each year during the summer season to enjoy the beautiful Lake, pools, and recreation. There are so many things for people to see and do in Lake Havasu City.

Havasu Riviera Marina is Lake Havasu City's newest mainland boat launch facility and marina. Guests can access Havasu Riviera Marina, located south of London Bridge Resort, by taking highway 95, turning onto Havasu Riviera Parkway and following the Parkway down to the new marina. The marina features a marina store, launching facilities, and we are told has the cheapest gas on the lake. There is a fee to launch from this marina. The new marina should help alleviate some of the long lines that you may experience at the other launch facilities in the area.

There are several upcoming road projects that will be occurring in the area. Most notably is that Arizona State Highway 95 will be all new from the most southern area of our community near SARA Park all the way to the I-40 ramp to the north. This is a much-needed project that will enhance the driving experience of our main road. The project will cause disruptions and delays as the crews complete the work. Please use caution when you see road construction occurring on your visit to the area.

London Bridge Resort has done several maintenance and upgrades to the property. We most recently sealed the front parking lot and main driveway areas. The lower pool and spa have been resurfaced. We are using a new contractor to maintain the swimming pools and spas and they are doing a great job. We have new sofa sleepers ordered to furnish all the suites on the 2nd floor with new sofa sleepers. This will complete a multi-year project to switch out all the sofa sleepers to comfortable sleepers that allow guests to comfortably sleep on without waking up with a metal bar in their back. We also have ordered housewares, kitchen supplies, and guest amenities to enhance the kitchen experience in our suites. Finally, we are continuing with air our conditioning maintenance plan and upgrading air conditioning units that are over 30 years old.

Bridgewater Links, our challenging 9-hole golf course, just added an 18-hole Disc Golf Course. Disc Golf is a popular and fun activity for all ages and can be enjoyed on select afternoon and evening time slots at this time. Check out this new activity during your next visit with us.

Our organized activities program has a little something for everyone. We offer arts, crafts, and more for owners and their guests to enjoy during your visit with us. Please provide us with your email address when you make your reservations, and our team will send you a personal email prior to your arrival with all the activities and events that are going on during your visit with us.

It is a pleasure to serve you and your family as Vacation Owners at London Bridge Resort. Our entire team is here to serve you and make sure you and your family have a memorable and great experience during your time with us. We look forward to seeing you soon.

Until Next Time,

Cal

Beware Of Scams

It seems that we cannot listen to the radio or TV without hearing an ad from firms purporting to be able to get you out of your timeshare. Many of these firms require high upfront deposits or commissions to be paid before they assist you. Generally, we have heard from some of our owners that once they pay the upfront fees they do not hear back from the firm, or the firm is unable to assist them. Your vacation ownership interest is a deeded real estate transaction and as such it is more complex than simply paying a fee and walking away. If you would like more information about this, please feel free to contact Owner Services at 928-855-0888 extension 8086.

Summer Concert Series
