A Message from the General Manager

Greetings,

As the warm embrace of summer draws near, it brings with it the promise of exciting adventures and unforgettable memories. London Bridge Resort is thrilled to welcome you to a season filled with sunshine, relaxation, and boundless opportunities for fun. I encourage you to reserve your week if you have not already done so.

We are excited to announce the completion of our eagerly anticipated front desk renovation. Our aim was to enhance your check-in experience and provide a more inviting atmosphere upon your arrival. We wanted to protect the history of our property while modernizing the check-in experience. The hand-carved wood display behind the front desk remains and the new desk features four stations for check-in, which will increase our efficiency and speed so we can get you vacationing quicker. We're confident that you'll appreciate the refreshed look and streamlined service that our new front desk area offers.

I am pleased to share that our new boat docks have been completed just in time for the summer boating season. Whether you're a seasoned boater or simply looking to enjoy a leisurely cruise along Lake Havasu, our upgraded docks provide the perfect starting point for your aquatic adventures. The new docks replace our old docks and provide more slips. Our team will still be ready to assist boaters renting a slip during our peak boating season to ensure a smooth experience for our guests.

Speaking of adventures, our team has been hard at work curating an exciting lineup of activities for you to enjoy during your stay. From movie nights poolside under the stars to relaxing canvass paint nights, there's something for everyone to enjoy. Get in touch with your creative side with our crafts sessions, or simply unwind by the pool with a refreshing drink in hand. Our team will email you the upcoming activities schedule prior to arrival.

As we gear up for the summer ahead, I want to take a moment to express my gratitude to you for choosing London Bridge Resort as your home away from home. We understand that your vacation time is precious, and it's our mission to ensure that every moment spent with us is nothing short of extraordinary.

If any of your information has changed, please call Owner Services to update your address, phone number, or provide an email address for us to stay in touch with you.

On behalf of the entire team, we are committed to providing you with an exceptional experience from the moment you arrive. Thank you for allowing us the opportunity to be a part of your travel plans, and we look forward to creating cherished memories together.

Until Next Time,

Cal

Summer Travel Tips

Summer travel can be exciting, but it's essential to plan ahead to make the most of your trip. Here are some tips to help you have a smooth and enjoyable summer adventure:

1. **Book Early:** Summer is a popular time for travel, so book your flights, accommodations, and activities well in advance to secure the best deals and avoid last-minute hassles.
2. **Pack Light:** Stick to the essentials when packing for your trip. Choose versatile clothing items and pack light to avoid lugging around heavy bags, especially if you'll be moving from place to place.
3. **Stay Hydrated:** Whether you're traveling to a hot destination or spending long hours in transit, it's crucial to stay hydrated. Carry a reusable water bottle and drink plenty of fluids throughout the day.
4. **Protect Yourself from the Sun:** Wear sunscreen, sunglasses, and a hat to protect your skin and eyes from the sun's harmful rays, especially if you'll be spending a lot of time outdoors.
5. **Stay Safe:** Research your destination before you go and be aware of any safety concerns or local customs. Keep your belongings secure, stay vigilant in crowded areas, and trust your instincts if something feels off.
6. **Be Flexible:** While it's good to have an itinerary, be open to unexpected experiences and changes in plans. Sometimes the best moments happen when you go with the flow.
7. **Stay Healthy:** Eat well, get enough rest, and stay active during your trip to maintain your health and energy levels. Pack any necessary medications and first aid supplies just in case.
