A Message from the General Manager

Greetings,

Welcome to summer 2025! Our team is set to welcome many of our vacation ownership families as they choose London Bridge Resort for their summer travel plans. Our team members have a full lineup of activities and events for you to enjoy after a day at the pool or a day on the lake. Some of these activities include our canvas painting event, crafts, movies, and more. We hope you enjoy the lineup of fun things to do during your visits with us.

I am excited to share with you the addition of our new sports court. For many years our tennis court was underutilized by our owners and guests, and we decided to try something different. The tennis court has been revamped and includes a pickleball court and a half basketball court. The sports court opened in late spring and guests are already raving about the new addition. We have pickleball and basketball equipment available at the front desk for our owners and guests use.

There is a new summer event this year – the inaugural Fire on the Water 4th of July Festival on July 4th from 1 p.m. to 10 p.m. at Rotary Park Ballfields. The Independence Day celebration will be a full day of fun, engines, music, and fireworks. There will be local vendors, handmade goods, a beer garden, cornhole tournament, food trucks and a car and boat show. In addition, there will be live music featuring Swamp Donkey. This event will be fun for the whole family and there is no cost to attend.

The Resort has recently upgraded our security cameras throughout the property, and we now have coverage in the parking lot areas and boat slips. The enhanced security upgrades will provide more safety for our owners and guests. We continue with our annual air-conditioning replacement program and annual suite maintenance programs as well as kitchen counter repairs and replacements in some of the suites that have areas that are burned or chipped.

Please be sure to make plans to use your week at London Bridge Resort by calling our reservations team at 800-624-7939. If you cannot use your week at London Bridge Resort, please bank your week with Interval International. When you are ready to exchange, you can choose to return to London Bridge Resort with the week or a travel destination at over 3,200 resorts worldwide.

Thank you for the opportunity to serve you and your family. Our entire team looks forward to seeing you soon.

Until Next Time,

Cal

Queens Bay Upgrade

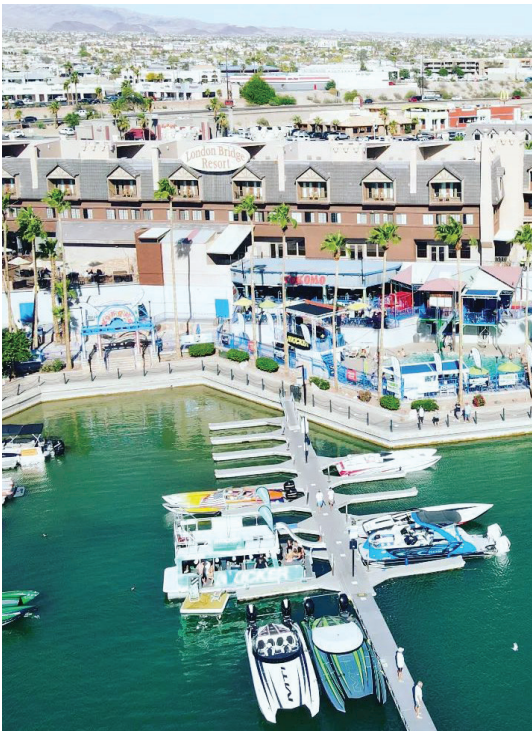

Lake Havasu City recently awarded a project to enhance the wash crossing on Queens Bay. Flood control dollars are allocated to address wash crossings throughout the community that are a safety risk and need stabilization. Queens Bay was on the list to complete this year. The project included the installation of a box culvert to divert wash and storm waters under the roadway instead of on top of it. This has allowed for a smooth transition onto London Bridge Resort as there is no longer a large dip in the pavement. Improvements also included a new sidewalk and curb. These improvements increase the safety of vehicle traffic and pedestrian traffic on Queens Bay.

Roxy's Beach Bar & Café

A new breakfast and lunch restaurant is now open at London Bridge Resort. Roxy's Beach Bar & Café is located adjacent to Papa Leone's Pizza in the space that was previously The Local Grind. Roxy's Beach Bar & Café offers breakfast, lunch, coffee, drinks, lake ready sandwiches, and more. We invite you to try Roxy's Beach Bar & Café during your next visit with us.

2025 SUMMER

Summer Travel Tips

Summer travel can be exciting, but it's essential to plan ahead to make the most of your trip. Here are some tips to help you have a smooth and enjoyable summer adventure:

1. **Book Early:** Summer is a popular time for travel, so book your flights, accommodations, and activities well in advance to secure the best deals and avoid last-minute hassles.
2. **Pack Light:** Stick to the essentials when packing for your trip. Choose versatile clothing items and pack light to avoid lugging around heavy bags, especially if you'll be moving from place to place.
3. **Stay Hydrated:** Whether you're traveling to a hot destination or spending long hours in transit, it's crucial to stay hydrated. Carry a reusable water bottle and drink plenty of fluids throughout the day.
4. **Protect Yourself from the Sun:** Wear sunscreen, sunglasses, and a hat to protect your skin and eyes from the sun's harmful rays, especially if you'll be spending a lot of time outdoors.
5. **Stay Safe:** Research your destination before you go and be aware of any safety concerns or local customs. Keep your belongings secure, stay vigilant in crowded areas, and trust your instincts if something feels off.
6. **Be Flexible:** While it's good to have an itinerary, be open to unexpected experiences and changes in plans. Sometimes the best moments happen when you go with the flow.
7. **Stay Healthy:** Eat well, get enough rest, and stay active during your trip to maintain your health and energy levels. Pack any necessary medications and first aid supplies just in case.
8. **Enjoy Yourself:** Above all, relax and have fun! Summer travel is a great opportunity to explore new places, try new things, and create lasting memories. Embrace the adventure and make the most of every moment.
